

EVERYBODY'S VOICE

Service User and Carer Group

AIM

To be involved with and influence the course through various means in Selection, Teaching, Placements and Research.

GROUND RULES

1. We think that everyone's right to speak their own opinion must be respected. It is important to allow everyone a voice. This means it is important not to talk over people and allow people to finish speaking.
2. We think that what is talked about within the group is confidential and all group members must follow this.
3. We think it is OK to ask for help if you need it.
4. We think it is OK to ask questions in general.
5. We think it is OK to leave the room quietly and come back during the meeting.
6. We all agree to follow the ground rules.
