WHAT'S NEW

- The WY-PQT website is almost ready and it will be on Blackboard NHS. In the meantime, you can find information on the DClInPsy extranet: <https://dclinpsy.leeds.ac.uk/pqt/>
- Our new committee had its 1st meeting on the 11.10.24 and it has been meeting monthly since. It has reviewed our terms of reference, reached out to gather ideas for future events, and made plans for taking these forwards.
- Our booking system is pay per event and there will be guidance on the website about how to use it. Our aim is to keep costs as low as possible while ensuring high quality events.
- We welcome expressions of interest in delivering future events! Please, get in touch if you'd like the opportunity to contribute to the Programme!
